

CERTIFICATE

of the approval pursuant to **KTA 1408.2**

"Quality assurance of welding consumables and auxiliary materials for pressure and nuclear activity bearing components"

SELECTARC WELDING S.A.S.
Place des Forges
F - 90600 Grandvillars – France

have furnished conclusive evidence of the proper application of their in-shop quality assurance procedures to approved welding consumables.

An audit covering the in-shop documentation and the manufacturer's quality assurance system has been conducted by the undersigned Inspector of TÜV Rheinland Industrie Service GmbH proves that the requirements of the KTA 1408.2 are satisfied.

With this, the assumption for the use of your welding materials in pressure and nuclear activity bearing components will be continued.

The renewal approval had to performed after a two years' term.

The certificate is valid until February 2019
