

CERTIFICATE

On the assessment of filler metals for use
according to pressure equipment directive 97/23/EC

Certificate No: 01 202 973 / W-15 0603

Name and address
of the manufacturer: **SELECTARC INDUSTRIES S.A.S.**
Place des Forges
F-90600 Grandvillars / France

It is hereby certified that the manufacturer has introduced and applies a QM system for the production of its welding consumables. A specific assessment was conducted according to the pressure equipment directives 97/23/EC in conjunction with EN 12074 for the manufacturing of welding consumables. The range of application for the welding consumables is to be found in the respectively valid VdTÜV-Kennblätter for welding consumables. Where they are included in the VdTÜV Kennblatt, they are suitable for use in accordance with directive 97/23/EC.

Tested according to: **Directive 97/23/EC Appendix I Paragraph 4
and directive 2009/105/EC and EN 12074**

Scope of validity: **Welding consumables listed in VdTÜV-Kennblatt
1000 with the respective range of application
according to the valid VdTÜV-Kennblatt for
welding consumables**

Manufacturing facility: **according to the valid VdTÜV-Kennblatt 1000**

This certificate is valid until: **October 31, 2018**
